SUPERINTENDENT'S MESSAGE

REFLECTIONS, the motto for the graduating class of 1980 has much intellectual insight.

Your future reflection on life will be similar to you watching a river with all of its changing moods. When the water is calm, the reflection of the opposite shoreline will be exquisite in all of its splendor. When the wind or clouds effect the water, the reflected images will be no longer perfect.

Laughter and joy will add sparkle to your outlook on life. Clouds of grief and worry will obscure the images of your mind.

As you go through life, try always to reflect a calmness that will help you meet the pressures of every day living.

Roman orator, Cicero, once stated, "A happy life consists of tranquility of mind."

I wish you all "tranquility of mind" and every success with your future endeavors.

Mr. Richard Zani
Superintendent

PRINCIPAL'S MESSAGE

Congratulations to the class of 1980! It is my sincere hope that your reflections and memories of your education at West Rutland are pleasant ones full of health and happiness.

I would hope also, that your education here serves as a springboard for your direction through life. A great wise man once said, "The world makes way for a man who knows where he is going."

Good luck to all of you member of the class of 1980 with all your future plans.

Mr. Francis Beaulieu
Principal

PRESIDENT'S MESSAGE

We, the class of nineteen hundred and eighty, have worked together as one for twelve years. The last four, our high school years, will serve as the basis for our future life.

What we learn at West Rutland High School today, will be a reflection on our lives tomorrow. Some of us will use this knowledge for future occupations, while others will seek higher education levels of learning.

The ideals of every high school student differ, but there is one factor which touches every student: To set a goal and strive until it is achieved. The problems that are met and overcome during this search, will serve to make our future years successful.

CLASS PROPHECY

WRITTEN BY: STAN JAGODZINSKI, KIM DuPREY, AND FRANK DUMAS.

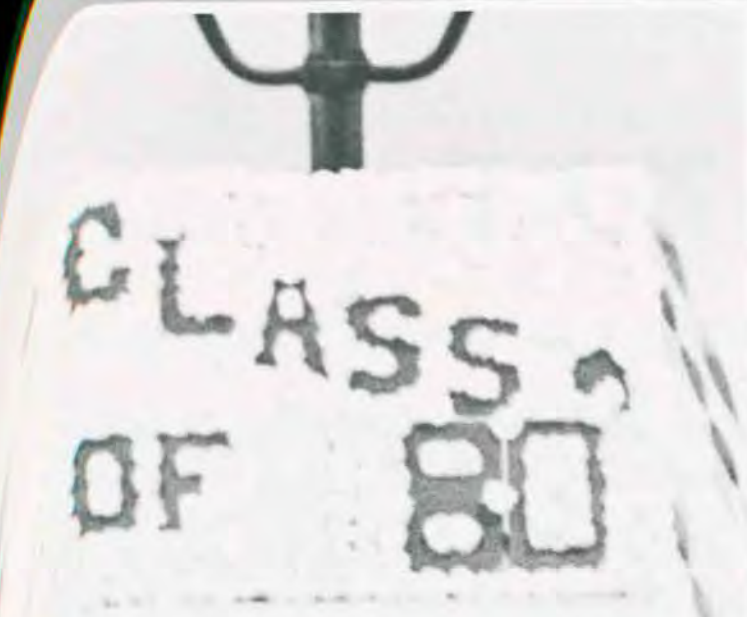

On the night of June 13, the year 2000, the Class of 1980 decided to have its twentieth reunion at the world renowned restaurant "Herbie's Pizza Palace." "Herbie's" owned by JOHN HERBERT, is the best known in the world. John's assistant is the former world connoisseur of fine foods, JOE PIONTEK. Before coming to work with John, Joe had his own fast-food establishment called "Joe P's." We understand that he had to close down because no one really cared that much for Polish Food. As our classmates filed through the door, they were greeted by MARK "CANALBOATS" DiGANGLI, who is checking for ID's. Mark now owns the entire 19th Green and has been busy keeping his fleet of Jeep Renegades in top shape. As everyone is settling down, we hear the screeching of tires in the parking lot. Who else could it be but STEVE WISKOSKI and JOHN WOS driving their Indy 500 race cars. John and Steve have become the leaders of the Polish racing team of Warsaw. Before becoming Indy winners, John could be heard practicing his racing techniques on the streets of Westside. Steve, on the other hand, was busy managing Rutland News. Suddenly, a small, blue Volkswagen pulls up and two people get out. It's those gorgeous girls KIM DuPREY and CHRISSIE DALEY. Kim and Chrissie are now head of the Volkswagen dealership in Vermont. They proudly call their business Dupe-Daley, Inc. The girls own millions of dollars of stock in Magoo's, First Vt. Bank, and The High Street Condominiums. They are followed by a limping FRANK DUMAS. Frank has become a sales representative for Blue Cross-Blue Shield. In his spare time, he runs a wrecker service near his home in Whipple Hollow. Next, DAN HARVEY appears with two gorgeous models, CHRISSIE HORTON and BARB GAR-RAPY. Before becoming the girls' agent, Dan was the owner of Playboy Magazine. He now owns a 50 room mansion in West Rutland, and commutes daily to New York. Chrissie made her career by being a secretary to a rich lawyer in Proctor; Barb was the president of a company that made shoes for short people. They gave it all up to become rich and famous. Dan's friend of many years, CHET GODRICK, came in with his lovely wife. Chet, being the genius he is, told us that he has invented a new computer system for IBM. He calls it FLATTUS II. Next, STAN JAGODZINSKI and his wife came in. We understand that Stan's 38,000 acre ranch called "Eggo Estates" is now worth close to \$8 billion. In his spare time, he runs his successful whaffle company. He and his 13 children keep the business running smoothly. Stan's long-time buddy PAT McDEVITT is at the bar. We learned that Pat has just signed a contract that makes him the owner of the Boston Red Sox. He also owns the First Vt. Bank in West Rutland. There are cheers when JEFF LACZ and STAN PAWLACZYK come in. Jeff and Stan are the town's heros. They are credited with putting out numerous fires in the Westside Area. Over in the corner of the room were MIKE CARROLL, JOE DOWD, and DAVID ZAWIS-TOWSKI. They are now partners in their own Harley-Davidson repair shop in Rutland. They call it "Jay-Slim-Zawie" Motorcycles, Inc.

WENDY BILLINGS has been pretty busy lately. She has just won the personality of the year award, as she has for the past 19 years. She uses all her time writing English

Textbooks and taking care of her family. We hear two loud voices at the other end of the room. Who else could it be but DONNA CURTIS and MARY GILLIGAN. They have travelled all the way from California to attend our party. Donna is now a millionaire and has broken her previous record for cruising the Sunset Strip in her Trans Am. She is now working at MGM (which stands for "Mary Gilligan Movies) Studios. Mary had told us earlier, that besides owning MGM, she has also been hired to be Erik Estrada's hair stylist. JEFF POCZOBUT will be a little late tonight, because his new printing shop "Poczy's Printing" is having its grand opening. Jeff keeps pretty busy these days with his car collection and his million dollar night-crawler business. Another late arriver will be JACK TANNER. It seems that Jack's company "Pruitt's Welding Co." has had some insurance problems. The company has been insured for \$2 million which only covers damages to Mailboxes. Jack's insurance agent, RON WILLIAMS, is the best in the business. Ron's insurance and Income Tax businesses have grown into million dollar empires. His company is known to all as "Willie Bear Insurers." JEFF TYMINSKI and TIM LONGLEY are having a good time at the Pinball machine. Tim's "Eighteenth Century Bar" and Jeff's "Dry-Top" roofing businesses are coming along very well. there is talk of the two businesses merging. It will be Westside's first combination bar and roofing business ever. That long, black Rolls-Royce outside belongs to hotel owner BOB PRZEKAZA. Bob purchased the Sheraton Hotel chain and has renamed it "Wezer's White Whale Inn." His former partner, RON MOYER, now has his own oil business in Texas. His industry, "Moyoil" has become the largest oil-producing industry in the world. The famous singing trio The Three M's, have decided to give us a song. They are known to all of us as SANDY MATTSSON, PATTY MERRILL, and ED MOODY. Their latest song "Don't it Make My Brown Eyes Red," has shot to the number one spot. JANE KREMPA and BEV BROWN have become respected businesswomen. Jane's new book, "How to Write Long Letters" has made her a fortune; Bev has taken over John Deere, Inc. and owns a large farm in Tinmouth. Both women now live in Beverly Hills, Calif., which Bev also owns. PAUL BECKETT and RON CROSSMAN are partners in a mink ranch in Ira. When they have time, they tour the state in their own Rodeo Show and have broken the record for owning the most cars in the least time. RICK BIDGOOD, who is a hired hand on the ranch, is in the process of opening Vermont's first chili restaurant. He's decided to call it "Chico's Chili Joint." The world-famous writer JULIE DZIUBEK has written her 15th bestseller called "Sir". She told us that it will be about her life and times. She has dedicated it to someone named "Boom-Boom." The last person to come in is JOHN SUTKOSKI. He apologizes for being late and explains that the Weather Bureau needed his expert advice in forecasting tomorrow's weather. He has just won the Golden Meteorologist Award for the tenth consecutive year. As our reunion draws to a close, we all pledge to come back in twenty more years to do it all again. Some of us have changed, while some of us have remained exactly the same. Now, everyone looks on with hope to the next twenty. GOOD LUCK EVERYBODY.....

CLASS NIGHT

The Class of 1980 held its Class Night Thursday, June 12, at 8:00 p.m., in the Francis Hinchey Gymnasium. Activities included the Welcoming Address, given by Dan Harvey, reading of the Class Wills, Class History, and Class Prophecy, and Distribution of Class Presentations. The remainder of the evening was dedicated to the Presentation of the Key, Junior Response, Yearbook Dedication, Class Thought, and, finally, the Class Song.

CLASS POEM AND MOTTO

ETERNITY

ALL that can be said is that come eternity's end you'll have been. You'll have found dark shadows to follow and strangers far too strange. You'll have learned the meaning of God and the feeling of the devil. You'll have travelled paths untravelled and souls with too much soul. You'll have held time in your hand and time that could not be held. You'll have laughed at pain about you and cried at pain within you. Then when you look back and ponder from the beginning, what a wonder! Come eternity's end you'll be strong to the end from the wonders you've known. Come eternity's end! Julie Dziubek "80"

Hold fast to dreams. For when dreams die they're like a broken-winged bird that cannot fly.
- Langston Hughes

The night was June 13, 1980, and thirty-nine Seniors made their entrance into the capacity filled gymnasium of six hundred fifty persons. The Class was addressed by John Sabotka, graduate of West Rutland High School, Class of 1958, on the topic of following ones dreams. Speeches were delivered by Salutatorian Chester Godrick, and Valedictorian Stanley Pawlaczyk.
